

The Professional Exhibitions You Cannot Miss

The 6th International Showcase for Building Automation and Management Systems Featuring: Asian Facilities Management and HVAC & R Show (Asian Building Technologies 2004) will be held concurrently from 15-18 June 2004 at the Hong Kong Convention & Exhibition Centre.

Organised by the Hong Kong Exhibition Services Ltd, a member of the internationally renowned Allworld Exhibitions, these biennial trade shows are solely opened to the industry's professionals and buyers. Approved by the Union des Foires Internationales (UFI), the shows are well-received by the industry and have developed into one of the region's most significantly trade show for the electrical, lighting and building industries.

In 2002, a combined total of 529 companies from 27 countries exhibited at the shows which received an extremely positive response from the industry, attracting 13,000 visitors from 53 countries and regions. Asian Building Technologies showcases air-conditioning systems, environmental building materials, HVAC systems, intelligent building products & systems, sanitary ware, etc. Technical seminars to be organized by key industry associations in Hong Kong including HKECA, HKIE – Building Services Division, ACRA, ASHRAE-Hong Kong, CIBSE, BSOMES, IEE-Hong Kong will be held alongside the show. Seminar topics will cover the major themes within the various elements of the building technologies sector.

In conjunction, Asian Elenex 2004, the 11th Asian International Electrical installation, Transmission & Distribution and Lighting Technology Show and Asian Securitex 2004, the 8th Asian International Security, Safety and Fire Protection Show & Conference, will take place alongside Asian Building Technologies 2004. This combination of quality exhibitions will definitely provide an excellent sourcing platform and one-stop-shop for the buyers and visitors from the industry.
