### About Speaker

Mr Lee holds a Bachelor of Science Degree, majored in Management and Systems Science, from Simon Fraser University in Canada. He is a veteran in IT industry with more than 12 years of solid project management exposures. With an enthusiastic interest in golf playing, he halted his profession about five years ago and ventured into golf business at the height of his career. He has now become an expert in the management of golf courses. Currently he is involved with the planning and development of a premium golf club-cum-residential property at a major real estate developer in Hong Kong.
